

START PENINSULA

Do you have a business idea or invention and need funding or guidance to get it off the ground?

Start Peninsula is a business building extravaganza for entrepreneurs in Hampton Roads. Part pitch competition, part business education, and part celebration of local business, Start Peninsula brings together dozens of passionate entrepreneurs with business leaders and mentors to help startups validate and grow new ventures.

From a pool of more than 30 business ideas pitched on Friday night, 10 semi-finalists are selected to pitch again on Sunday for a chance to win cash and other important resources for growing businesses.

Think It!

Got a great idea for a business? Pitch your startup to a panel of judges and be one of 10 semi-finalists competing for a chance to win a cash prize.

Start It!

Stick around for the weekend and work with designers, programmers, marketers, engineers, and sales pros to validate and build a viable business.

Grow It!

Be one of three winners to receive a cash prize during final pitches: \$10K, \$7.5K, or \$5K. Winners get free access to local resources to grow your business.
