Start Peninsula is a weekend-long regional event that stimulates entrepreneurial growth in our community by connecting early-stage businesses to validation, opportunities, and resources. Over the course of this exciting weekend, dozens of entrepreneurs connect with business leaders and mentors to help develop their ideas. The weekend seamlessly combines a pitch competition with business education and a celebration of our local entrepreneurial ecosystem. 100+ diverse professionals attend Start Peninsula, ranging from designers, computer programmers, engineers and marketers, to lawyers, financial planners, and investors.
